TEMA Hari Kebangsaan 2019 MENJAYAKAN WAWASAN NEGARA

Wawasan Negara 2035 merupakan gagasan Kebawah Duli Yang Maha Mulia Paduka Seri Baginda Sultan dan Yang Di-Pertuan Negara Brunei Darussalam yang dimanifestasi bagi memastikan Negara Brunei Darussalam menjadi sebuah negara yang mempunyai rakyat yang berpendidikan, berkemahiran dan berjaya; kehidupan yang berkualiti; dan ekonomi yang dinamik dan berdaya tahan. Ke arah mencapai wawasan tersebut, kita bersatu setia kepada raja dan negara; yakin pada nilai-nilai agama Islam; mengamalkan nilai-nilai mulia dan sifat berbaik-baik.

Secara literal, menjayakan itu bermaksud memastikan sesuatu itu berjaya. Dalam konteks tema ini, menjayakan bermaksud setiap rakyat dan penduduk serta segenap sektor dalam pembangunan negara berperanan dalam memastikan Wawasan Brunei 2035 tercapai dan berjaya. Justeru itu, setiap rakyat dan penduduk Negara Brunei Darussalam perlu mengatur langkah untuk menjadikan diri mereka sebagai aset yang berguna dalam agenda pembangunan negara.

Kerajaan Kebawah Duli Yang Maha Mulia Paduka Seri Baginda Sultan dan Yang Di-Pertuan Negara Brunei Darussalam dengan penubuhan Majlis Tertinggi Wawasan Brunei 2035 telah menggariskan 13 strategi, 12 hasil pencapaian, 28 bidang utama dan 37 KPI kebangsaan. Usaha-usaha pelaksanaan strategi-strategi ini amat giat dilaksanakan dalam pelbagai peringkat.

Usaha membawa rakyat dan penduduk dalam agenda pembangunan negara melalui strategi Wawasan Brunei 2035 sangatlah penting. Setiap rakyat dan penduduk serta agensi-agensi yang terlibat dalam agenda pembangunan negara ini mestilah melengkapkan diri mereka dengan ilmu dan kemahiran, bersedia berperanan dalam pembangunan negara termasuk meningkatkan daya saing, inovatif dan kreatif dalam segenap aspek pembangunan ekonomi, politik, sosiobudaya, keselamatan dan lain-lain. Oleh itu, keseimbangan pembangunan jasmani dan rohani serta duniawi dan ukhrawi itu penting demi pembangunan bangsa dan generasi yang mapan.

25 Februari 2019

Kesurvivalan bangsa dan negara bergantung kepada rakyat dan penduduk yang beridentiti berteraskan falsafah Melayu Islam Beraja. In shaa Allah, dengan adanya penggemblengan usaha-usaha daripada pelbagai sektor yang berkepentingan dalam pembangunan negara ini, Negara Brunei Darussalam akan dapat mencapai matlamat Wawasan Brunei 2035; akan tetap kekal menjadi sebuah negara yang merdeka lagi berdaulat; menjadi sebuah Negara Zikir dan *Balqatun Tayyibatun Warabbun Ghafur*.

TO BUILD COMMITMENT AND COHESION

KEY ACTIONS:
DEVELOP TEAM NORMS
ENHANCE TEAMWORK
IMPROVE COHESION

FORMATION STAGE

GOAL:
TO BUILD CONFIDENCE AND TRUST

KEY ACTIONS:
ASSEMBLE THE TEAM
BUILD TRUST
COMMUNICATE EFFECTIVELY

SUSTAINMENT STAGE

GOAL:
TO DEVELOP PRIDE AND OWNERSHIP IN THE TEAM

KEY ACTIONS:
DEVELOP ADAPTABILITY
MANAGE CONFLICT
IMPROVE RESILIENCE

FROM THE NOV / DEC 2018 EDITION OF ARMY SUSTAINMENT MAGAZINE

New Arrival Book

Futile exercise? : the British Army's preparations for war, 1902-1914

355.03354109 BAT

There has been considerable debate over the extent to which Edmonds' claim was justified, and to which the British Army had learnt the lessons of recent events (above all, its chastening experiences in South Africa).

Great powers, grand strategies : the new game in the South China Sea

355.033059 COR

Great Powers, Grand Strategies offers the analysis of a dozen experts on the "big picture" approaches to the South China Sea dispute.

Homeland security : the essentials

363.32516097 BUL

Homeland Security: The Essentials, Second Edition concisely outlines the risks facing the US today and the structures we have put in place to deal with them. The authors expertly delineate the bedrock principles of preparing for, mitigating, managing, and recovering from emergencies and disasters.

New Arrival Book

Governance networks in public administration and public policy

352.1 KOL

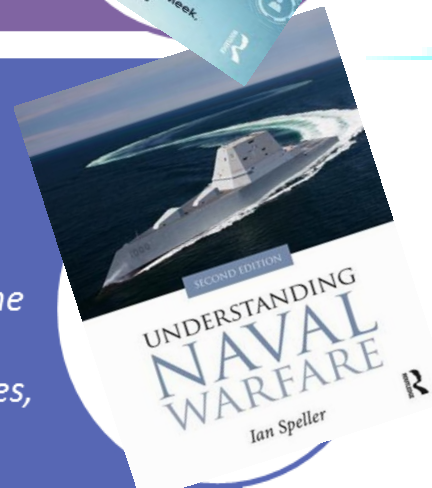

This second edition of *Governance Networks in Public Administration and Public Policy* offers a conceptual framework for describing governance networks and provide (to read more see "A Look Inside")

Understanding naval warfare

359 SPE

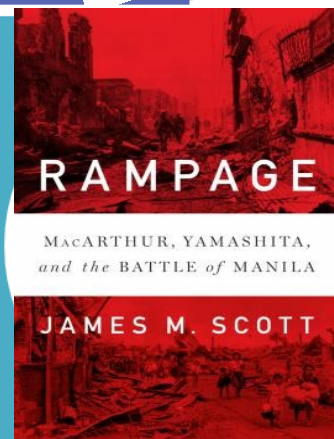

This new and updated edition of *Understanding Naval Warfare* offers the reader an accessible introduction to the study of modern naval warfare, providing a thorough grounding in the vocabulary, concepts, issues, and debates, set within the context of relevant history.

Rampage : MacArthur, Yamashita, and the battle of Manila

940 SCO

Before World War II, Manila was a slice of America in Asia, populated with elegant neoclassical buildings, spacious parks, and home to thousands of U.S. servicemen and business executives who enjoyed the relaxed pace of the tropics.

Contents: Worldview is powered by Stratfor's proprietary methodology to forecast the shifts of geopolitical power that will shape future developments.

100 facts on WEATHER

Did You Know?

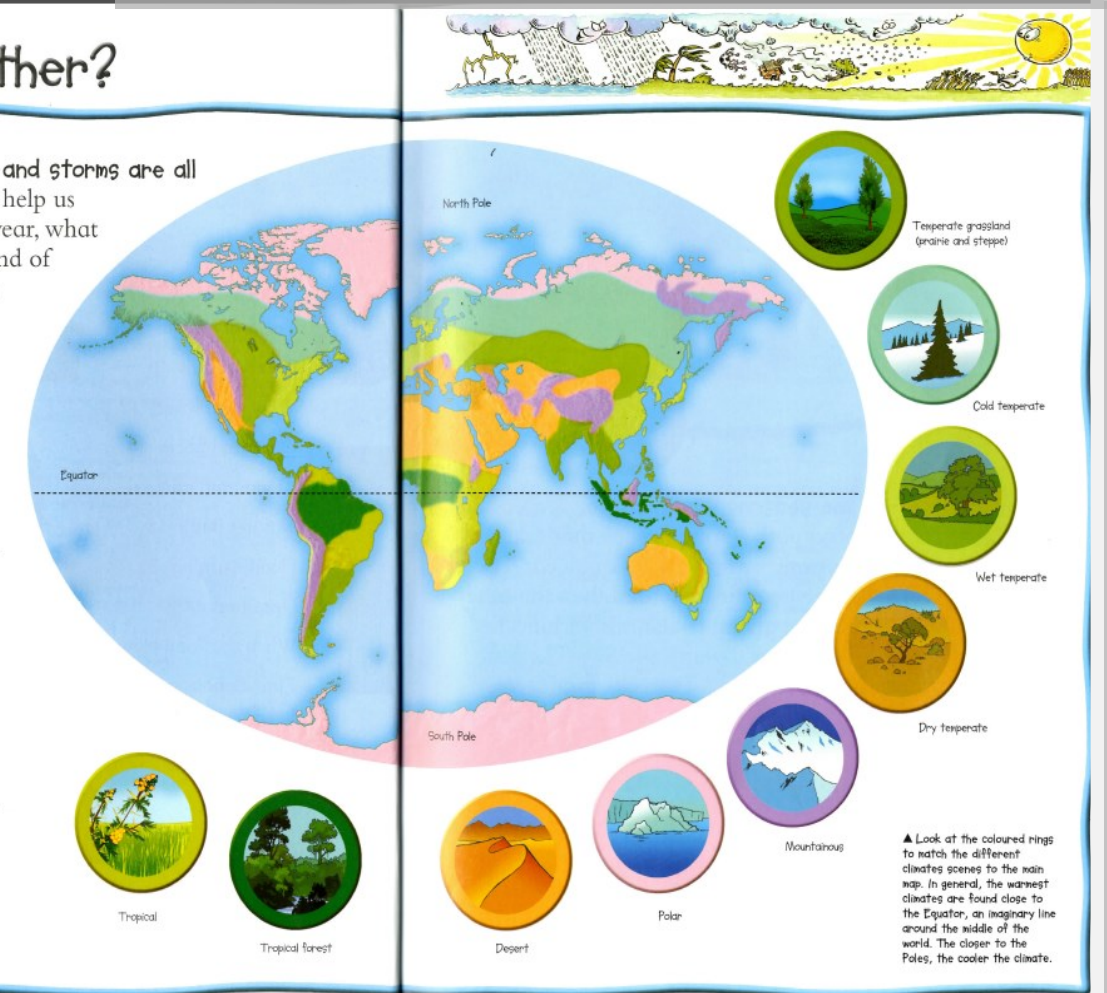

The four seasons

What is weather?

1 Rain, sunshine, snow and storms are all types of weather. These help us decide what clothes we wear, what food we eat, and what kind of life we lead. Weather also affects how animals and plants survive. Different types of weather are caused by what is happening in the atmosphere, the air above our heads. In some parts of the world, the weather changes every day, in others, it is nearly always the same.

2 Tropical, temperate and polar are all types of climate. Climate is the name we give to patterns of weather over a period of time. Near the Equator, the weather is mostly hot and steamy. We call this a tropical climate. Near the North and South Poles, ice lies on the ground year-round and there are biting-cold blizzards. This is a polar climate. Most of the world has a temperate climate, with a mix of cold and warm seasons.

Look at the coloured rings to match the different climate scenes to the main map. In general, the warmest climates are found close to the Equator, an imaginary line around the middle of the world. The closer to the Poles, the cooler the climate.
